

## Product Usage Guide

## Professional

### BP060-10

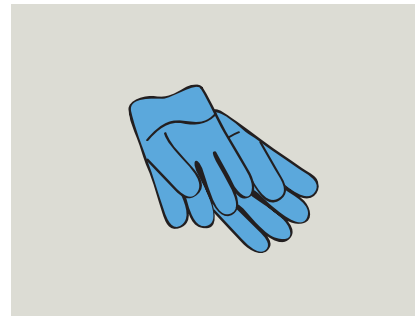

#### Health & Safety

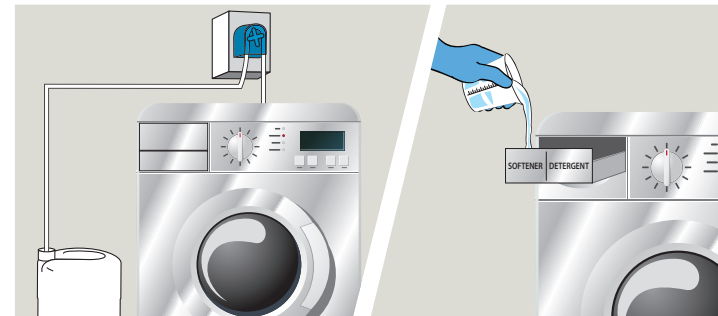

Please refer to relevant COSHH Safety Data Sheet

Scan for further product details

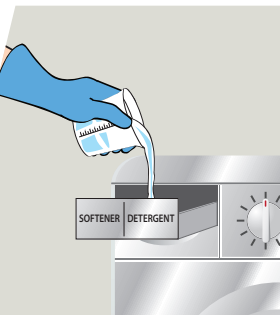

**1** Use appropriate PPE as indicated in safety data sheet.

**2** Connect to an automatic dosing system. Dispense at 25ml - 50ml per 10kg of dry wash. Product can be added into the machine dispenser draw separate to main detergent if automatic dosing system not available.

**3** Make sure laundry detergent is connected or added to the machine. We recommend using Jangro Laundry Liquid BP052

**4** Select wash program and start.

Do not apply directly onto fabrics.
